Dear Mr. Pfeiffer,

This letter is the final response to your two March 2, 2019 Freedom of Information Act (FOIA) requests. We aggregated the two similar requests. Specifically, you asked for copies of:

1. "All information security and security posters by or displayed at or archived by what is now Los Alamos National Laboratory and its predecessor entities (including, for example, but not limited to Los Alamos Scientific Laboratory and its Manhattan Project predecessor). You may restrict your search to records between and including the dates of January 1, 1943 to December 31, 1969. Please when available provide provenance such as artist, date created/displayed, and division.
2. All information security, security, and Y2k awareness posters created by or displayed at or archived by what is now Los Alamos National Laboratory and any relevant predecessor entities. You may restrict your search to records between and including the dates of January 1, 2000 to December 31, 2010. Please when available provide provenance such as artist, date created/displayed, and division."

Your request was received in this office on March 5, 2019.

We contacted the Los Alamos Field Office (NA-LA), oversight for Los Alamos National Laboratory (LANL) about your request. No responsive documents were found at NA-LA. NA-LA forwarded your request to the M&O contractor, Triad National Security, LLC (Triad) and LANL to search for responsive records. Triad/LANL searched and found no responsive records.

You may appeal our inability to locate responsive records pursuant to 10 CFR § 1004.8. Such an appeal must be made in writing within 90 calendar days after receipt of this letter, addressed to the Director, Office of Hearings and Appeals, HG-1, U.S. Department of Energy, 1000 Independence Avenue SW, L'Enfant building, Washington, DC 20585. Your appeal must contain a concise statement of the grounds for the appeal and a description of the relief sought. Please submit a copy of this letter with the appeal. Clearly mark both the envelope and the letter "Freedom of Information Appeal." You may also submit your appeal by e-mail to [OHA.filings@hq.doe.gov](mailto:OHA.filings@hq.doe.gov),

including the phrase "Freedom of Information Appeal" in the subject line (this is the method preferred by the Office of Hearings and Appeals). Thereafter, judicial review will be available to you in the District of Columbia or in the district where (1) you reside, (2) you have your principal place of business, or (3) the Department's records are situated.

You may contact me, the NNSA's FOIA Public Liaison, at 866-747-5994, or by mail at Department of Energy, National Nuclear Security Administration, Office of the General Counsel, P.O. Box 5400, Albuquerque, NM 87185 for any further assistance and to discuss any aspect of your request.
